

# TRANSPORTATION COMMITTEE MEETING

**January 13, 2022**

The Transportation Committee of the Henry County Board met in the office of the County Engineer on January 13, 2022. Chairman Jeff Orton called the meeting to order at 3:00 PM with the following members present:

Jeff Orton, Chairman  
Natalie Collins, Member  
Ray Elliott, Member  
Bill Preston, Member  
Ned Richardson, Member  
Scott Stephenson, County Engineer

R. Elliott moved to approve the agenda. N. Collins seconded. Motion carried.

No comment during public comment.

Minutes have been approved from the last meeting by signature.

The Transportation Committee members approved the bills by signature since the last meeting.

## County Engineer Report:

S. Stephenson informed the committee of the following:

- The New Year's Day snow storm kept our road crews busy for 12 hours and 8 hours the next day. They all did very well with the difficult conditions.
- The tandem axle truck letting was set for December 21, 2021, at 9:00 AM, at the office of the County Engineer, but unfortunately we did not receive any bids. Vendors have informed our office if a truck is ordered today, we could expect delivery on December 2023. This department is reassessing how we plan to move forward.
- On Friday, January 7<sup>th</sup>, the union signed the 4-year contract agreement.
- Midland Wind Farm project is closed down for the winter except for electrical which is ongoing. The road construction will resume around March/April with tower segments scheduled for delivery in May.
- Engineering has started on the I80 slope fail project. Ecology Solutions did a Wetland Delineation and it was determined by their consultant that their property is not a wetland. Discussion followed.
- This department has recently received 500 ton of road salt.

## Old Business

None

## New Business

None
