Re: **FEE NOTICE**

The Henry County SWCD Board of Directors on 6 September 2018 voted to amend the Zoning Fees. The fee schedule will be as follows:

Zoning Fee:

\$500.00 fee for up to 10 acres plus \$15.00 per additional acre for green energy zonings such as solar farms and wind towers.

\$100.00 fee for residential zonings.

Reclamation Plan:

\$150.00 up to 10 acres plus \$10.00 per additional acre

Reviews of a Reclamation Plan:

\$50.00 per plan

The Henry County Soil and Water Conservation District requests all zonings to be delivered to their office ten working days before their next board meeting, typically the first Thursday of the month.

Checks should be made payable to Henry County Soil and Water Conservation District (Henry County SWCD) and should be submitted to the zoning officer at time of request.
